# Pleasure Works!

We build a better future

**HL700-9**  
**HL710-9**  
**HL720-9**

**Precision**

Maximum ride comfort on any ground due to self stabilising oscillation

**Precision**

High-visibility Cabin

**Performance**

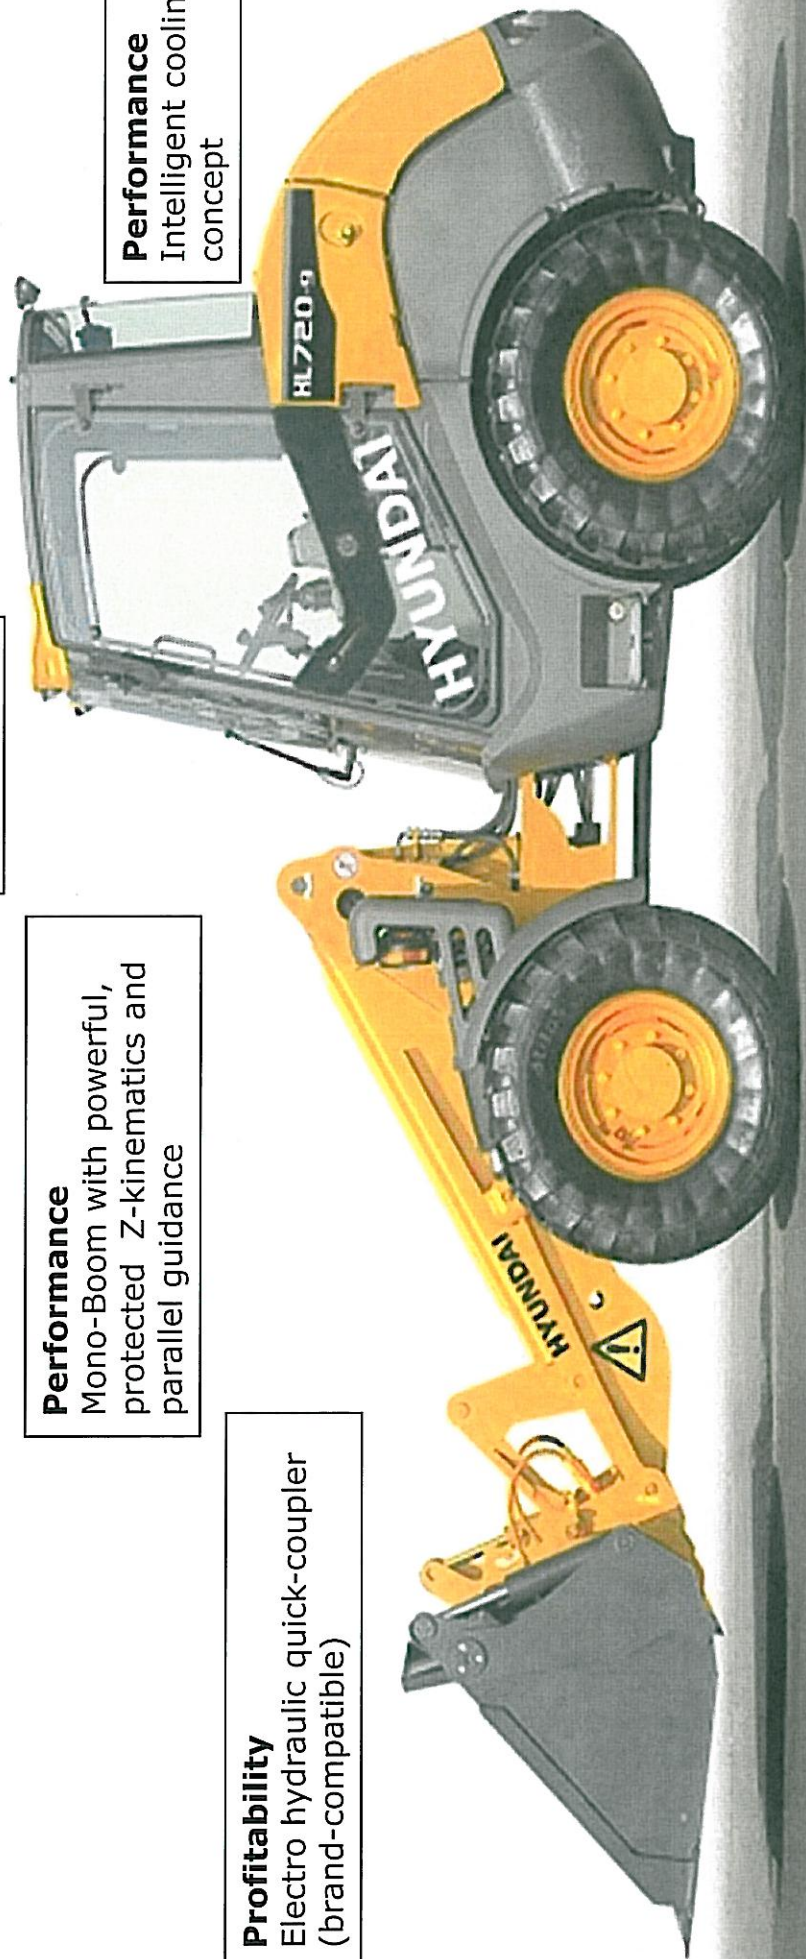

Mono-Boom with powerful, protected Z-kinematics and parallel guidance

**Profitability**

Electro hydraulic quick-coupler (brand-compatible)

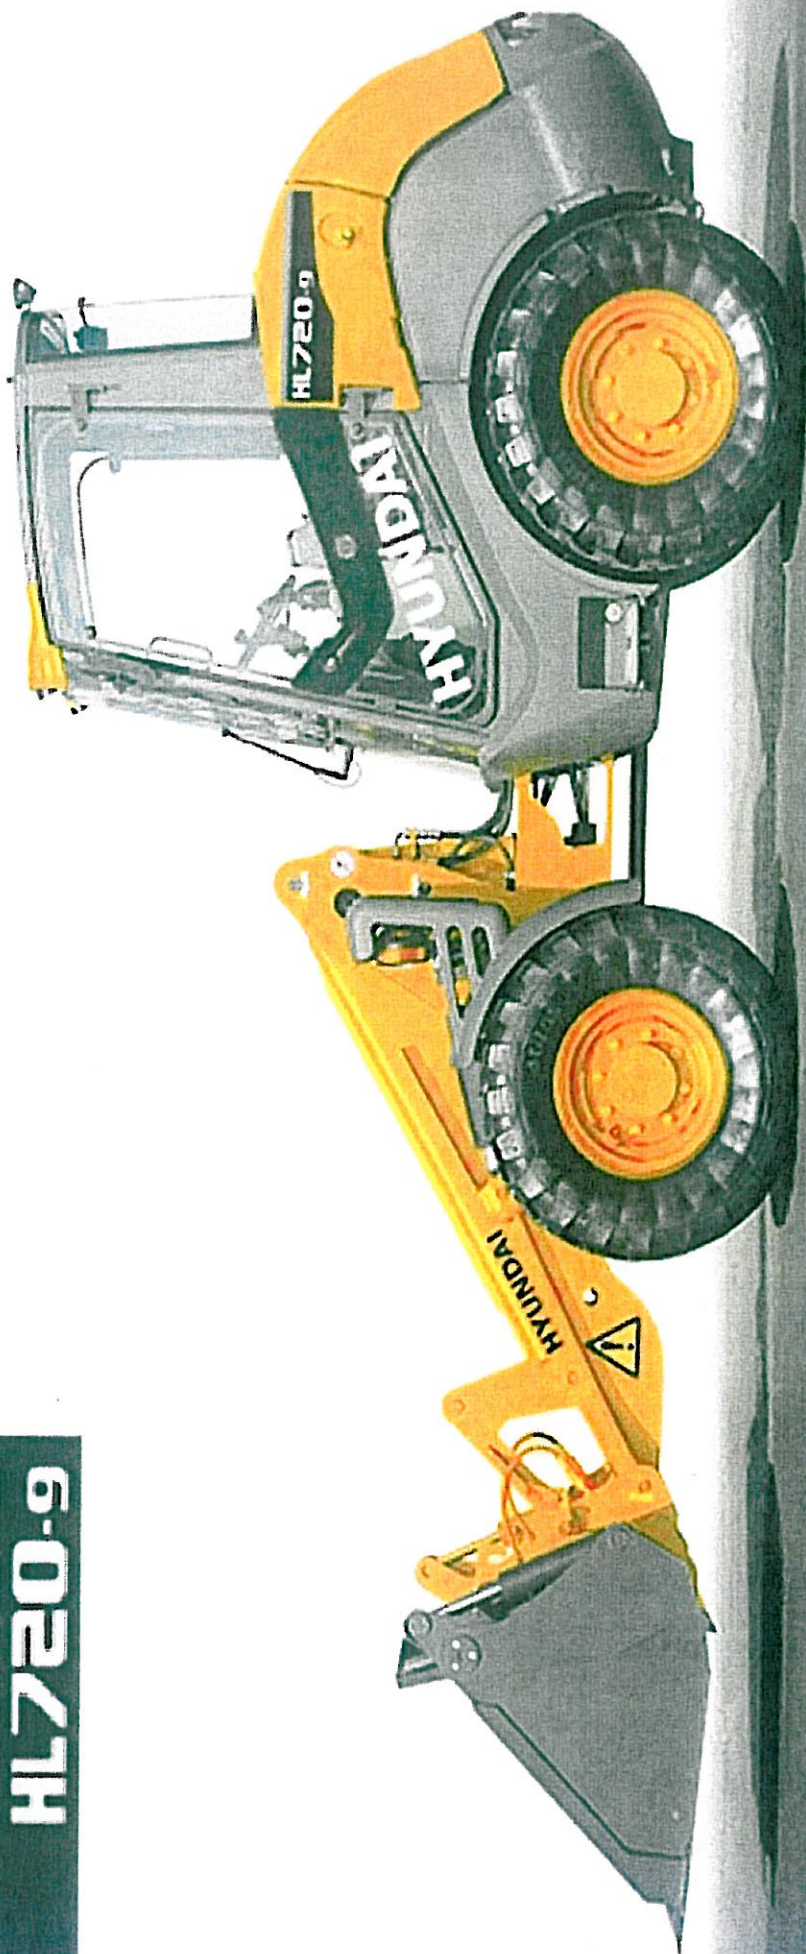

**Performance**

Intelligent cooling concept

We build a better future
